

**Kettle River Timberworks of Burnaby, B.C.  
Awarded Best Of Houzz 2016**

***Over 35 Million Monthly Unique Users Nominated Best Home Building,  
Remodeling and Design Professionals in North America and Around the World***

Burnaby, B.C., Canada, January 13th, 2016 – **Kettle River Timberworks** has won “**Best Of Design and Best Of Customer Service 2016**” on [Houzz®](#), the leading platform for home remodeling and design. This custom design-build company was chosen by the more than 35 million monthly unique users that comprise the Houzz community from among more than one million active home building, remodeling and design industry professionals.

The Best Of Houzz is awarded annually in three categories: Design, Customer Service and Photography. Design award winners’ work was the most popular among the more than 35 million monthly users on Houzz. Customer Service honours are based on several factors, including the number and quality of client reviews a professional received in 2015. Architecture and interior design photographers whose images were most popular are recognized with the Photography award. A “Best Of Houzz 2016” badge will appear on winners’ profiles, as a sign of their commitment to excellence. These badges help homeowners identify popular and top-rated home professionals in every metro area on Houzz.
